The Cheer Craze All-Stars TCCAS

WELCOME To The Cheer Craze All-Stars....

We are excited you are here! Thank you for your interest in The Cheer Craze All-Stars. We are honored that you have chosen to join us. We will do everything in our power to see that your experience with us is unforgettable! We strive to provide the most competitive teams possible; and we set all our teams up for success. Cheer Craze is widely regarded as one of the most successful D2 cheer programs in the Nation. For 20 plus years TCCA-The Cheer Craze All Stars/RGA has helped build healthy, strong, and confident athletes. Our members learn more than just cheer, they also learn about sportsmanship, teamwork, goal setting, and ultimately the importance of hard work. The skills athletes gain from our program is a valuable lifelong asset...It's so much more than just cheer!

Evaluations

Private evaluation cost \$45 each, and is offered starting May 13th through May 30th. You will text the gym at 336-610-4742 to schedule a time OR just come to our Open Public Evaluation Day on June 1st: cost is \$35 each:

Age 5-7 is at 11am, Age 8-9 is at 12:30p and 10 and Up is at 1pm.

Private Evaluation : May 13th through May 30th: Text to Schedule

Open to the Public Evaluation Day: June 1st Age 5-7 is at 11am, Age 8-9 is at 12:30p and 10 and Up is at 1pm.

*When you are placed on a team we are counting that athlete as part of a well thought out plan for their specific team. Many hours were worked to make our teams. If people quit, it can negatively effect several other athletes and teams. Please do not tryout if you are not planning to be fully commit to our program. We teach our athletes the importance of commitment and loyalty; quitting is not part of our gym culture.

TEAM PLACEMENTS

The highly trained staff at TCCAS will place each athlete on the best team for their age, level, and ability to focus. Tumbling skills are crucial but is not the only thing that determines placement, as each team is allowed a few non-tumblers. Each team needs the appropriate amount of flyers, bases and back-spots to be successful; similar to any other sport. The scoring rubric requires a large percentage of the team to have elite tumbling skills. It is our goal to field teams that will be as successful as possible. Having some skills does not necessarily mean the athlete is ready for a level, trust the process and feel free to ask the questions.

We have 3 tiers of teams: Novice, Prep and Elite. This ensures the best experience for each

athlete and enables us to make successful teams. Team placement is based on experience, skills, focus and maturity. All of the teams at TCCA are coached for success. #NoTeamLeftBehind

We follow the USASF age grid Tiny Teams: 2017-2019 birth years Tiny Novice: 2017-2019 birth years Mini Teams: 2015-2018 birth years Youth Teams: 2012 to 2017 birth years Junior Teams: 2009 to 2016 birth years Senior Teams: 2005 to 2012 birth years

After age requirements are meet we place athletes on teams in Novice leve

and Elite level 1-2-3-4-5-6 at The Cheer Craze All-stars. As experts in the field, we ask that parents support our decision on team placements, knowing that we will make the best decision for the program and for the success of each team. There could be movement between teams, team levels, and athletes anytime throughout the season based on needs, ability and behavior, as what is best for the program. Should you have questions concerning your child's placement please reach out to the Director Montel Graham. 336-460-8507

TIER PRICING DETAILS

2024 - 2025 Pricing: We have 3 tiers of teams, and each has a different price; which tier team you are on is decided at evals. Each athlete will pay the 1st month in the office by the 1st practice based on the tier they were placed. Starting in July all payments will be drafted each month in 2 equal payments through our Jackrabbit parent portal. Each member of TCCA is required to set up a account through the portal and have a valid card on file for monthly payments as part of the membership and financial agreement. (even if paid in full)

Tiered 12 month Payment Plan: Novice \$150 per month, Prep teams \$200 per month, Elite teams \$250 per month: June through May. Crossover Fees: For athletes that are on more than 1 team: add an \$25 to each installment. Monthly fee's will be paid in 2 equal payments on the 7th and 20th of each month for the 12 month contract, Example: Novice is \$150 a month which will be \$75 on the 7th E-draft and \$75 on the 20th of each month. The tiered cost difference is based on the varied cost for Novice, Prep and Elite competition fees, uniforms, music, end of season gifts, and practice/training hours given.

Included in our monthly tuition and team fees for TCCAS teams: Team Training/Gym hours* Tumbling instruction * Coaches Travel Fees * Competition Fees (which is the largest portion of the fees) *In House Choreography Sessions * Custom Music Fees * Showcase Expenses * Team Bow * Christmas Parade * Athlete Awards * Extra Practices if Needed *End of Season Athlete Gifts* A large portion of the monthly fee's are not revenue to the gym, but are costs incurred by each athlete for the above mentioned fees that are paid on the athletes behalf. The Cheer Craze All Stars fee's are well below industry standard for any program of the same caliber- attending similar events "with tumbling included". Most programs are double this cost. We work hard to make it affordable for our families and stand on our motto that "At Cheer Craze You Get More Than You Paid For".

Additional Cost that are NOT included in monthly team fees: Uniforms: (Returning members: we are using the same uniform), USASF Registration: All Parents must register their athlete(s) with the USASF: cost \$50, All hotel & travel expenses, optional extra classes or private lessons, spectator fees, shoes (we will place an order but not included), end of season final events aka: Summit, Youth Summit (events that teams must earn a bid to attend). Novice uniform: \$195, prep uniform: \$295, Elite uniform: \$395. Uniforms will be billed/posted to each account depending on your tier of team. Fee for uniforms: 1/2 should be paid by June 30th and the balance will be drafted on July 30th.

We offer multiple fundraising options from June to December to offset cost. You are also welcome to join either of the two groups that work events and concerts through a Non-profit. Many members have funded their entire balanc0e through fundraising.

All youth travel sports are expensive, all star cheer is no different. Please do not sign up if it will be a financial burden on your family. **We are not able to scholarship or cover fees for anyone**.

SAVE THE DATES & ATTENDANCE

Choreography Camps will be during the week of July 29th to August 4th. After teams are formed, we will let you know which days your team is scheduled. Some camps will be during the daytime and some will be during the night. Regular team practices will not be held this week. (if you already have a vacation planned during this week you must let your coach know by week 1 of practice)

Summer Practices:June through August 31: Elite 1-2x a week: 2-3 hours each, Prep and Novice 1x a week 2-3 hours each TBA after evals. Summer practices are not optional! 4 summer absences are allowed. Summer activities should be planned around practices as much as possible. Fall Practices start September 1 through the last competition Elite teams will practice 2-3X a week for 5-6 hours per week, Prep teams will practice 2x a week: 4 hours, and Novice teams will practice 2x a week for up to 1.5-2 hours a week. *After a teams last competition they will go back to 1 day a week practices through end of May, 2024

2 Scroll to the very bottom of the home page and click on MEMBERS PORTAL button

3. Log in and choose Cheer Craze All Stars Team (reset password if needed)

** We will move your athlete to the correct team through the office.

ATTENDANCE POLICY

The attendance policy is the #1 most important tool we have at The Cheer Craze All -Stars. Cheerleading is unlike any other sport, if any one is missing it negatively impacts the team, as we do not have 2nd string to pull from. Our attendance policy is strictly adhered to for the success of the program, if you can not commit to our attendance policy we ask that you do not join TCCA at this time. The schedule you receive will be a schedule you should plan around all year long. We try hard to not make sudden last minutes changes, though they can happen with sports.

Summer Attendance: June1-Aug. 31- Allows for up to 4 absences Try to schedule day trips, parties, and outings around your practices; saving your absences for out of town vacations and important events.

September 1st we start a new practice schedule, adding more hours. All practices are considered mandatory, but two weeks before team performances are to be blocked off as highly critical. Athletes missing in this time may not be allowed to perform, or could be moved from their positions for the safety and success of the team.

Sept 1- May 30th Regular Season Attendance Policy: We allow 6 absences during the regular season, BUT be very cautious with using these absences for any reason other than contagious illness, death in the family, and graded school functions as we will adhere to the policy and athletes missing over 6 days will be removed from the program and will still owe their fees for the remainder of the season per the signed financial contract. Again, practices within 2 weeks of competition are critical mandatory and can not be missed. No more than 3 days can be missed in 1 month.

CHECK LIST[×]

In preparation for evaluations READ through all information given.

Plan for Team Evals Day: Schedule a private time or register for Open Eval Day. Check which time is for your childs age to attend. 336-610-4742 Attend evaluation for team placement and make payment Receive a GIFT!.
